Singles League Competition (Mixed)

1. Although there are no set days to play your matches please ensure that all games are played by 24 August 2012.
2. The format of play will be matches of 7 ends with 1 point for each end won and 3 points to the match winner or 1 point to each bowler in the event of a draw.
3. The winner of each division will then play each other over finals weekend to get overall champion.
4. On completion of your game please leave score card in scores folder below and enter the result in the below grid. The competitions secretary will also update the table and fixture grid on a regular basis

The reason for 7 end matches is to make it easier to get someone to mark for you. The idea behind this is that you arrange for 3 of you in the same division to bowl on the same day i.e. player 1 v player 2 with player 3 marking, game 2 you have player 2 v player 3 with player 1 marking etc.
